

► Polytechnique at a glance

POLYTECHNIQUE, CRADLE OF ENGINEERING IN QUEBEC

136 years

founded in 1873

2nd largest
campus in Canada

Polytechnique + Udm +
HEC

\$145 M

budget

1st in Canada

for the scope of its
engineering
research

1st in Quebec

teaching and
engineering
research

34,700 graduates

27%
OIQ members

6,000 students

1,500 graduate
students

1,100+ diplomas
per year

21% international
students

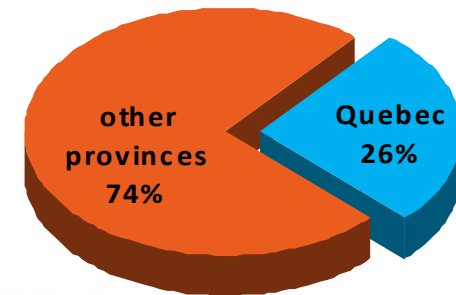

120 countries

► Academic training

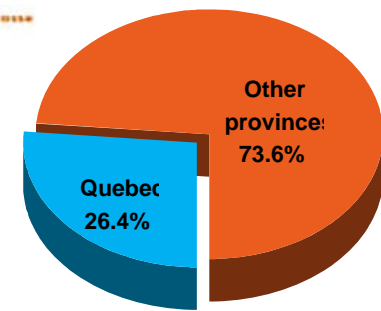

ENGINEERING TRAINING IN CANADA

55,000 undergraduate students

16,300 graduate students

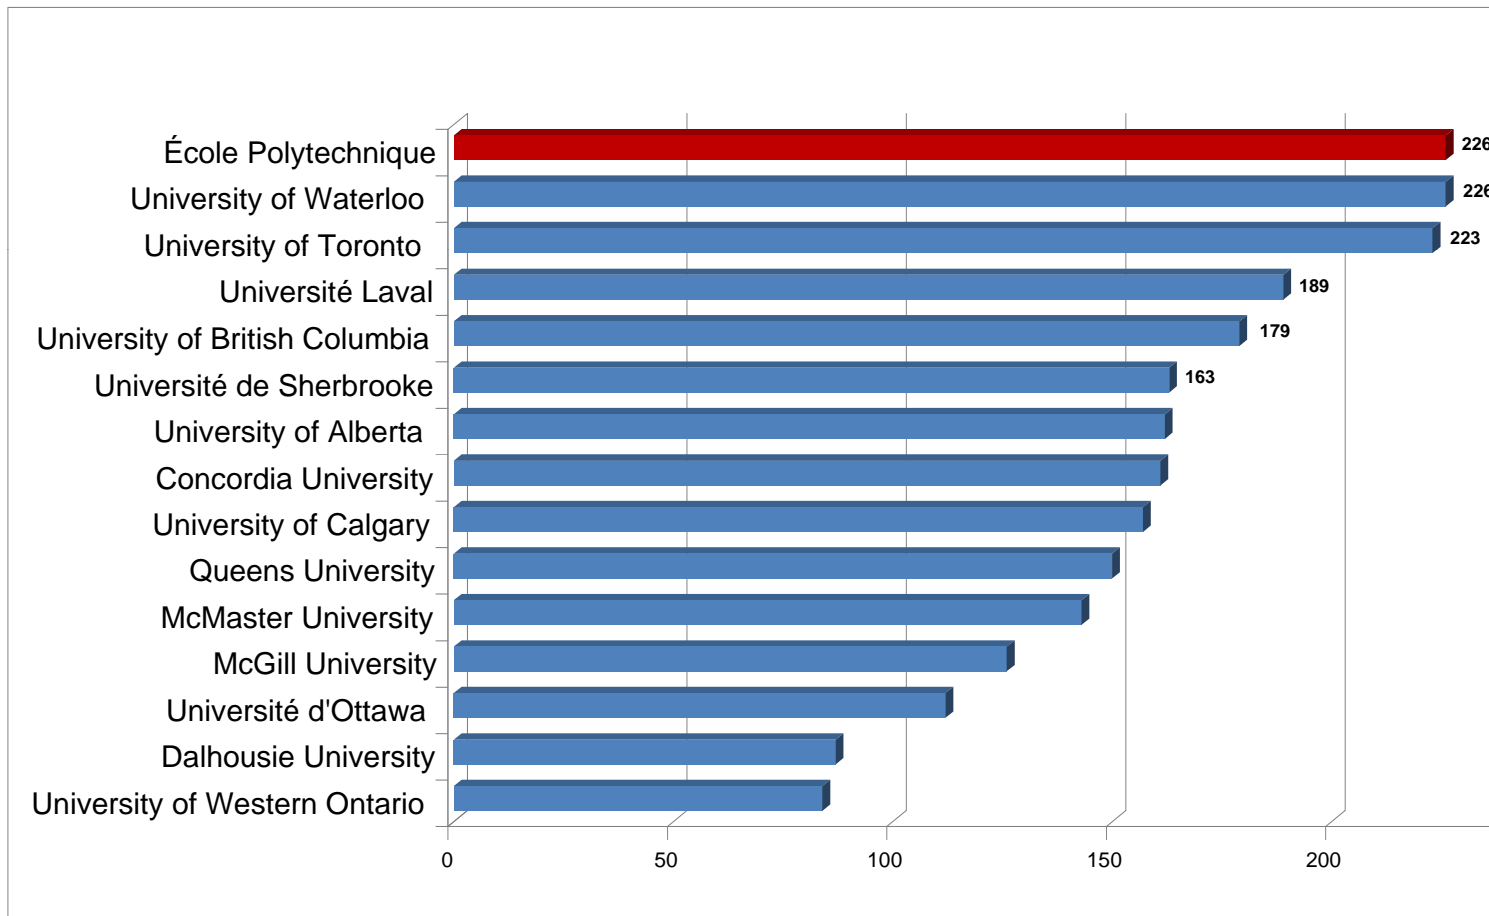

40 engineering schools/faculties in Canada

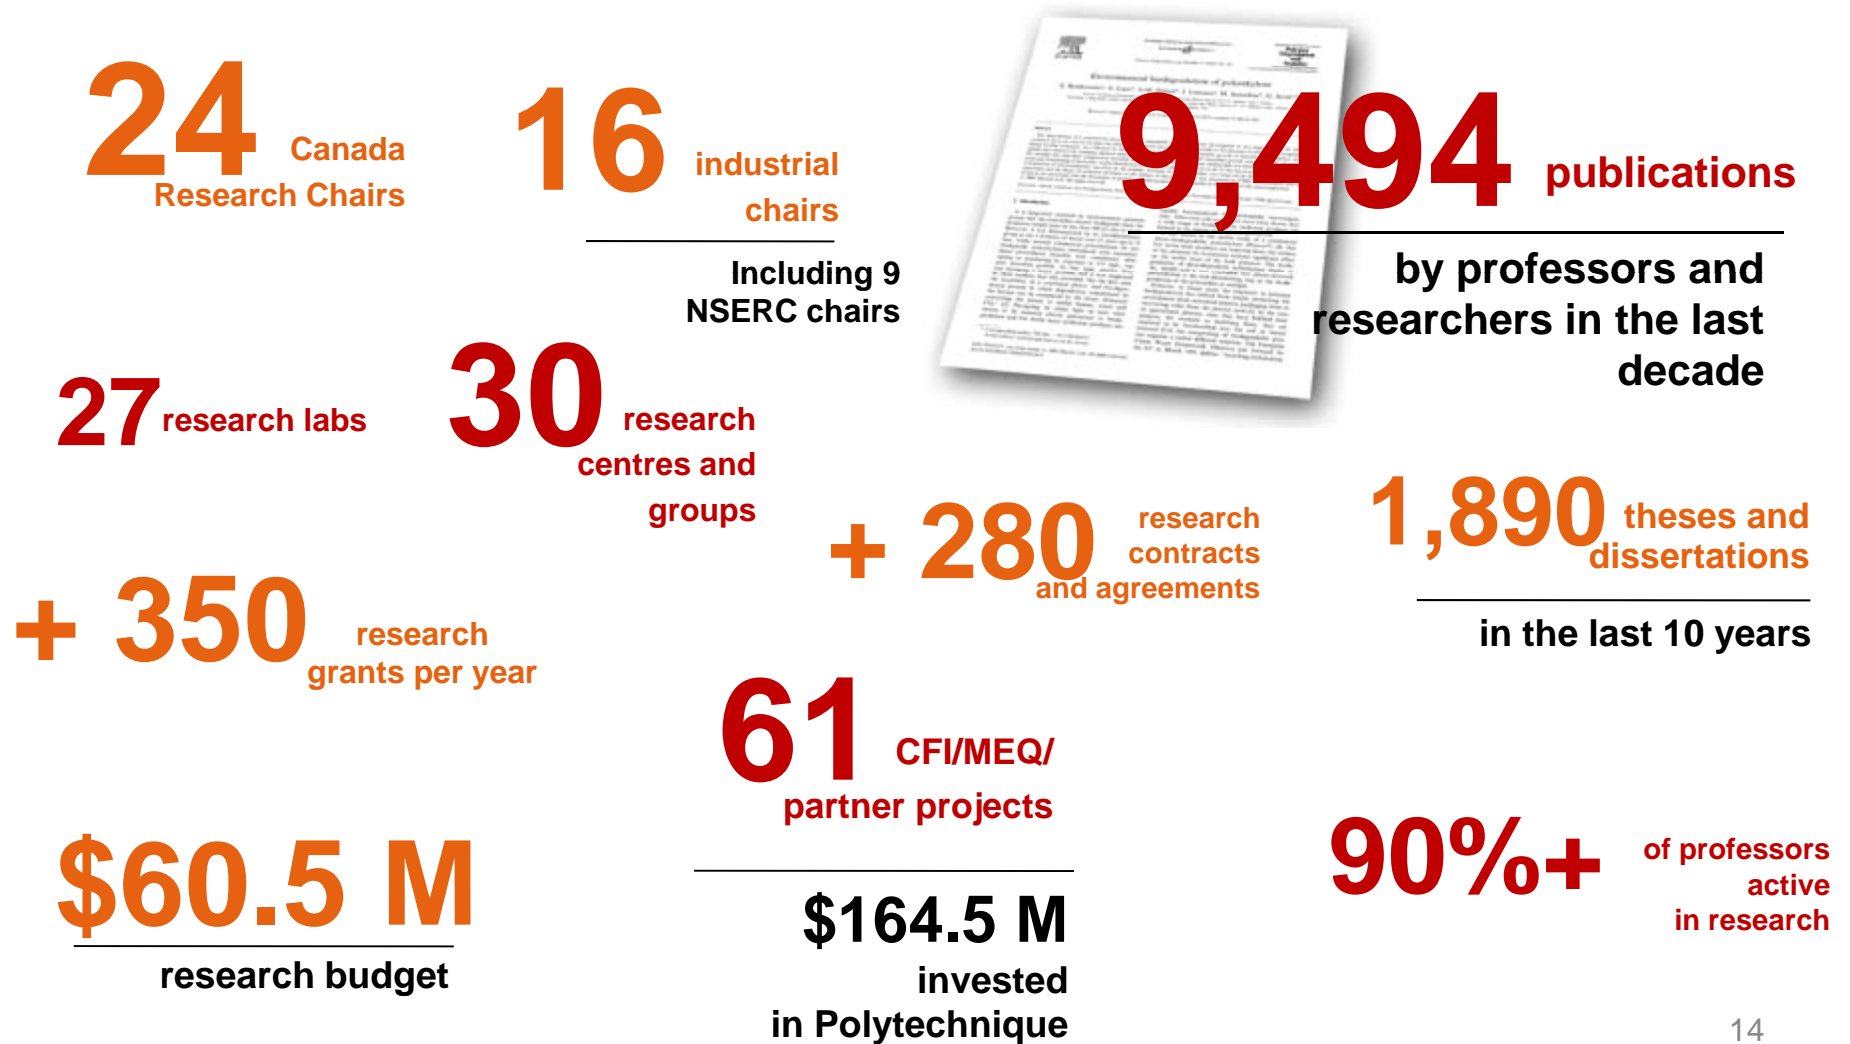

239 accredited engineering programs

► Academic training
